RE: FRONTLINE KEYWORKER

The Government has identified the following key workers in health and social care:

Health and Social Care

This includes but is not limited to doctors, nurses, midwives, paramedics, social workers, care workers, and other frontline health and social care staff including volunteers; the support and specialist staff required to maintain the UK's health and social care sector; those working as part of the health and social care supply chain, including producers and distributors of medicines and medical and personal protective equipment.

The business undertaken by Wheel of Health Limited support patients and clients in both the NHS and Private healthcare sector. **As such, please accept this letter as confirmation that both our staff and associate healthcare professionals remain key members of frontline staff for the purposes of healthcare support available during the COVID-19 pandemic.** Wheel of Health Limited staff and associates will have personal identification badges when undertaking work for the company.

If you have any questions about this status please contact us.
