PRICE VARIATION NOTICE

To Whom It May Concern,

Thank you for your continued support of Wheel of Health Limited.

We are writing to advise you of an upcoming change to our pricing structure. This change reflects the rising costs we are no longer able to absorb, and it ensures continued transparency across our services.

Following a review aligned with the Consumer Prices Index (CPI) for 2025, we will be applying a 7% increase across our standard fee structure, effective from 1st June 2026.

This was not a decision we took lightly. We are mindful of the impact fee changes can have on our clients and commissioning partners. We would like to take this opportunity to reassure you that, aside from a single increase in January 2024, our fees had remained unchanged since September 2013.

We remain fully committed to delivering the same high standard of service you have come to expect from us. Should you have any questions, comments, or concerns regarding this change, please don't hesitate to contact us.

Kindest Regards,

Lucy Weech

Clinical Director
